In the article by Kusumoto et al, “Systematic review for the 2017 AHA/ACC/HRS guideline for management of patients with ventricular arrhythmias and the prevention of sudden cardiac death: A Report of the American College of Cardiology/American Heart Association Task Force on Clinical Practice Guidelines and the Heart Rhythm Society,” which published ahead of print on October 30, 2017, and appeared in the October 2018 issue of the journal (Heart Rhythm 2018;15:e253–e274. DOI: https://doi.org/10.1016/j.hrthm.2017.10.037), several corrections were made during the proofing stage and are outlined below.

1. On page e256, in the right column, first paragraph, third sentence, the $P$ value has been updated to “$p=0.20$.”

2. On page e261, in the left column, first paragraph, third sentence, “Foundations” has been updated to “Foundation.”

3. On page e261, in the right column, second paragraph, last sentence, “CI” has been added after “95%.” The updated text reads, “(95% CI: 0.37 to 0.78).”

4. On page e270, in the right column, under the heading “Presidents and Staff,” Ms. Hundley’s title has been updated to “Production and Operations Manager.”

5. On page e273, in the title of Appendix 1, an asterisk has been added after “Entities.” The updated title reads, “Appendix 1 Evidence Review Committee Relationships With Industry and Other Entities* (Relevant)—Systematic Review for the 2017 AHA/ACC/HRS Guideline for Management of Patients With Ventricular Arrhythmias and the Prevention of Sudden Cardiac Death (October 2017).”

These corrections have been made to the current online version of the article, which is available at https://doi.org/10.1016/j.hrthm.2017.10.037.
