ERRATUM

In the article titled “Radiofrequency ablation in Brugada syndrome” by Koonlawee Nademanee, MD, FHRS, that published in the October issue of Heart Rhythm Journal (2021: 18: 1805-1806), “Sosa technique” was misspelled as “Sousa technique” in the fifth paragraph. The author regrets the error.

RETRACTION NOTICE

Retraction notice to Esophageal Temperature Monitoring During Atrial Fibrillation Ablation With the Pulsed Field Ablation System (B-PO04-095)
Andrea Natale MD, FHRs, Domenico G. Della Rocca MD, Carola Gianni, Chintan G. Trivedi MD, MPH, FHRs, Amin Al-Ahmad MD, FHRs, CCDS, Mohamed A. Bassiouny MBChB, MD, G. Joseph Gallinghouse MD, FHRs, Rodney P. Horton MD, FHRs, J. David Burkhardt MD, FHRs, Luigi Di Biase MD, PhD, FHRs and Sanghamitra Mohanty MBBS, MD, MS, FHRs

This article has been retracted: please see Elsevier Policy on Article Withdrawal (https://www.elsevier.com/about/our-business/policies/article-withdrawal).

The authors inadvertently specified some ablation settings in the methods section that should not have been reported because they can be potentially linked to a specific pulsed field ablation technology that is currently under investigation for FDA approval. The Authors apologize for the inconvenience caused by this oversight.
